REGULAR PROFESSIONAL LID CLEANING IS AN IMPORTANT PART OF YOUR EYE CARE ROUTINE

WHAT IS A NULIDS PROCEDURE?

In minutes, a trained expert will use the **NuLIDS PRO** device to clean and exfoliate eyelids and lashes.

IS IT PAINFUL?

The procedure feels like an eye massage as the oscillating tip glides across the lids to thoroughly clean the area. It is not painful at all.

WHAT RESULTS CAN I EXPECT?

Most patients experience noticeable results immediately.

NULIDS PERFORMANCE

NuLIDS has a 95% satisfaction after more than 5,000,000 eyelid cleanings.
